Plant America!

Compare Plants: Not Catalogues

We cordially invite you to visit us and inspect our many acres of field grown camellias, azaleas and other ornamentals. We are prepared to make attractive prices on truckload lots.

TERMS AND CONDITIONS OF SALE

We urge all buyers to inspect plants before they buy as we sell only on the following conditions:

We make no express or implied warranty of any kind except that plants are true to variety. When plants leave our possession we have no way of knowing whether they receive proper care so we do not guarantee they will live, pass inspection or be merchantable.

We pack all orders with greatest care and our responsibility ceases when the stock is delivered to customer's truck or public carrier. We will not entertain claims for shortage or for any other reason unless same is filed within 10 days from receipt of goods and in no case will our liability exceed purchase price.

To customers with known or approved credit rating, net 30 days.

C.O.D. orders must be accompanied by at least 5% deposit.

SHIPPING: Please state whether you want shipment by Express, Motor Freight, or Railway Freight. Parcel Post shipments will be made only if the amount of postage is included in order.

SIZE OF ORDER: Due to the present cost of packing we will not be able to accept any orders for shipment for less than \$25.00.

All orders are accepted subject to crop and we take no responsibility for any loss caused by weather, or other conditions over which we have no control.

You Save on Truck Load Orders

No packing charge.

Cheaper transportation rates.

Fast Service — overnight delivery at 400 miles distance.

Stock arrives at destination in excellent condition.

As a rule we can arrange transportation through local, reliable truckers at the following rates:

2 ton truck hauling 5 tons—30¢ per mile one way.

10 wheeler truck hauling 10 tons—35¢ per mile one way.

Tandem axle van holding 15 tons—40¢ per mile one way.

You can readily see the advantage of the Tandem axle van as the cost per plant is cheapest, and generally speaking nursery stock moved in these closed vans arrives at the destination in excellent shape.

To aid you in figuring out a truck load order the following weights are listed below:

Gallon Can Stock	7 lbs. each
12-18" Field Grown Camellias	30 lbs. each
18-24" Field Grown Camellias	40 lbs. each
24-30" Field Grown Camellias	60 lbs. each
4- 6" Lath Grown Kurume Azaleas	3 lbs. each
6- 8" Lath Grown Kurume Azaleas	5 lbs. each
8-10" Lath Grown Kurume Azaleas	7 lbs. each
10-12" Lath Grown Kurume Azaleas	10 lbs. each
12-18" Lath Grown Kurume Azaleas	15 lbs. each
2-3' Field Grown Ornamental Magnolias	30 lbs. each
3-4' Field Grown Ornamental Magnolias	40 lbs. each
2-3' Field Grown Sasanquas	40 lbs. each
3-4' Field Grown Sasanquas	60 lbs. each
18-24" General Ornamentals, Field Grown	40 lbs. each
24-30" General Ornamentals, Field Grown	50 lbs. each

These weights are approximate and will vary slightly with moisture conditions.

Lining out stock can be shipped by railway Express or Motor Freight at feasible rates.

Canned and B&B stock should move by personal truck or chartered truck.

AZALEAS

All azalea prices listed are based on plants being dug and loaded uncrated upon customers truck at our nurseries.

In case where crating and delivery to carrier is necessary add 25% to price of plants.
